5. [REDACTED] Comment. Shipments of ration supplies dispatched to the large supply depots between January and May 1954 included:

25X1

<u>Month</u>	<u>Number of Railroad Cars</u>
January	193
February	176
March	232
April	309
May	194

The monthly average includes 180 to 200 cars. The increased number of shipments in March and April 1954 resulted from the filling up of the supply depot which was organized at Altenburg. See [REDACTED] Comment 3.
